

Bringing Art to Life

The South Milwaukee Performing Arts Center's mission is to enrich the community by providing creative, innovative, and diverse performing arts and life-long learning experiences, as well as a professionally managed facility for community and regional organizations.

Our vision is to be a performing arts center that delivers outstanding and diverse performance events and services to the students, district, community and greater South Shore area.

It's Easy! Be a Supporting Member

Not every starring role appears in lights. Help keep the lights burning bright for another exciting season of great artistic entertainment at the South Milwaukee Performing Arts Center.

As "the community's theatre" and a charitable organization, we rely on local support in addition to ticket sales to showcase the arts in our community.

Your membership helps us accomplish great things!

- ◆ Bring world-class artists directly to you at affordable prices.
- ◆ Provide educational arts programming for students and the greater community.
- ◆ Operate the SMPAC as an arts resource for our region.
